SHS ACCREDITED BY:
CANADIAN EDUCATIONAL
STANDARDS INSTITUTE

History of the School

The school was founded in 1908 by Mr. Algernon Lucas, a graduate of Selwyn College, Cambridge, to educate boys to 13 years of age. Its first location was in downtown Montreal, on MacKay Street, and in 1930 it moved to more spacious quarters on Redpath Street. Upon the death, in 1945, of its fourth Headmaster, Mr. Geoffrey H. Wanstall, the ownership of the school was transferred to the Selwyn House Association, a newly created group of Old Boys and interested parents. In 1960, the building housing Westmount High School was acquired and the school moved into these, its present quarters. The relocation not only provided expanded, first-rate facilities, but enabled the school to offer instruction beyond the junior high school level, through to matriculation.

Selwyn House seeks to prepare students who exhibit good citizenship, for imaginative, reasonable and responsible exercise of their facilities.

*Best Wishes
&
Welcome*

Again this year, we extend a warm welcome to all participants, players' families and friends at the Thirteenth Selwyn House Varsity and Bantam Invitational Hockey Tournament.

It is our hope that all will enjoy and benefit from the friendly competition. We look forward to the display of individual and team play attended by exemplary sportsmanship.

William Mitchell
HEADMASTER

Special Thanks

to the

Selwyn House Varsity Hockey Tournament Committee,
the staff and students, who make this tournament possible.

Special thanks to the entire staff at the Verdun Auditorium for
their continued support of Selwyn House School.

I would like to take this opportunity to thank all of you for your
interest, enthusiasm and support in making this the best event possible.

Steve Mitchell

The Gryphon Team Captain

CAPT. ANDREW BOURNE

Andrew is in his second year as a Varsity player, his first as captain.

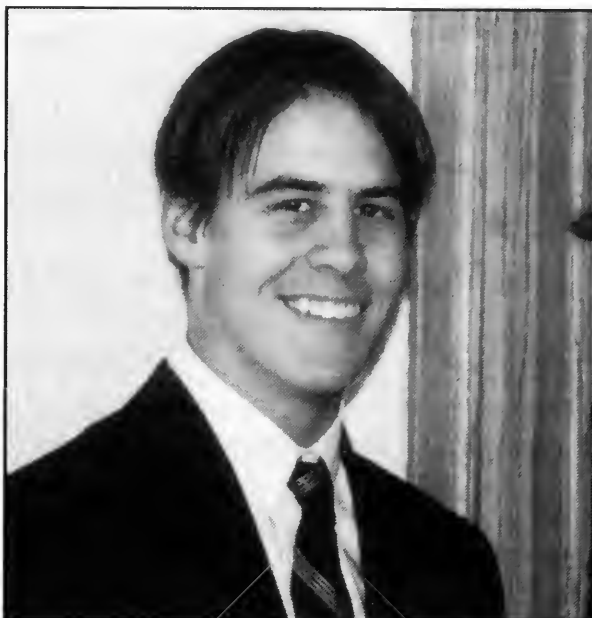

He brings to our programme an intensity and solid work ethic that has a positive influence on all those around him.

Andrew's on-ice speed and natural ability for instinctive reaction have made him a very effective defensive player. With the improvement of his offensive skills, Andrew has been a key factor in goal scoring off his end to end attacks, as well.

His goal against McDonald Cartier on January 20, 1998 was a clear illustration of just how much his shot has improved.

Both coach Tom Nicoll and I are pleased with Andrew's contribution and commitment to the programme and are confident that he will take his experience to a higher level next season.

Thanks for your sound leadership and Good Luck!
